SUBJECT: Declaration of conformity to the European Regulation (EC) 1907/2006 - REACH

We hereby offer the information that our products are designed and manufactured in compliance with the REACH regulation (CE n.1907/2006, 18th December, concerning the Registration, Evaluation, Authorization and Restriction of Chemicals).

Following the analysis of the production process, we can state that:

- Products manufactured and delivered by LAG fall within the REACH definition for 'Articles' (and not as 'Substances' nor 'Preparations'). Further, no substance(s) is intentionally released. Therefore they fall outside the scope of this regulation;
- Materials used in our products which could contain substances subject to registration are purchased within EU from manufacturers or importers which have registered the substances;
- None of the substances used to manufacture our products fall within the scope of art. 59 of the regulation ("candidate list" of the SVHC as published by ECHA, updated June 27, 2018. 191 substances);
- LAG will pre-register any substance that should fall under the scope contained in the intermediates or other substances for which registration is mandatory.

For further information please address any inquiry exclusively to reach@lagspa.it (possibly in English or Italian languages).
