PAH

We herewith declare that products supplied by L.A.G. do not contain substances with Polycyclic Aromatic Hydrocarbons (PAHs) in accordance with Regulation CE n. 1272/2013.

Applicable hazardous substances may be present only by contamination and never in excess of specified threshold limits.

This regulation doesn't apply to our products as during their use no prolonged or frequent skin contact is foreseeable.

L.A.G. considers itself to be an environmentally responsible company paying primary attention to sustainability and safety. L.A.G. has been certified ISO 14001 since 2012 and ISO 9001 since 2002.

We believe the controls we have in place will help to assure that L.A.G. remains compliant.
